

1 for All Information

We are so excited about the opportunity for all students at LSHS to opt into the “1 for All” program. This is where you can opt in to have a touchscreen Chromebook while you are a student in Frisco ISD. In order to participate this year, there are three items to be completed prior to our mobilization days.

1. The guardian will need to consent by opting into the “1 for All” initiative during online registration.
 - For students, the link to ‘Opt-In/Out is here:
<https://forms.gle/pAX6U9LTg4gPXa3j9>
 - If you elect to ‘Opt-Out’, students will be expected to use their own personal device in place of a Frisco ISD issued Chromebook. The District encourages all students to participate fully in a connected technology experience, having full access to multiple learning perspectives and opportunities.

2. Students will need to take the online training where they will receive information on digital citizenship, device care, and responsible use of the device. The course should take no more than 45 minutes to complete.
 - Click the link to enroll and access the course:
<https://fisd.instructure.com/enroll/PKY4R4>
 - If you did not opt into the “1 for All” program, it is optional to take the course.

3. Pay the required, non-refundable annual insurance fee of \$20 to cover accidental damage.
 - Pay online at <https://www.onlineschoolfees.com/>
 - Look for “1 For All: Tech Program 20-21” for your student
 - The payment is due before the scheduled pick up day.

If you have any questions, you can visit our district website for the “[1 for All Program](http://www.friscoisd.org/departments/technology-and-media-services/one-for-all-program)”.
